12 usc section 2601 congressional findings and purpose

TITLE 12--BANKS AND BANKING

CHAPTER 27--REAL ESTATE SETTLEMENT PROCEDURES

Sec. 2601.

Congressional findings and purpose
(a) The Congress finds that significant reforms in the real estate settlement process are needed to insure that consumers throughout the Nation are provided with greater and more timely information on the nature and costs of the settlement process and are protected from unnecessarily high settlement charges caused by certain abusive practices that have developed in some areas of the country. The Congress also finds that it has been over two years since the Secretary of Housing and Urban Development and the Administrator of Veterans' Affairs submitted their joint report to the Congress on Mortgage Settlement Costs and that the time has come for the recommendations for Federal legislative action made in that report to be implemented.
(b) It is the purpose of this chapter to effect certain changes in the settlement process for residential real estate that will result--
(1) in more effective advance disclosure to home buyers and sellers of settlement costs;
(2) in the elimination of kickbacks or referral fees that tend to increase unnecessarily the costs of certain settlement services;
(3) in a reduction in the amounts home buyers are required to place in escrow accounts established to insure the payment of real estate taxes and insurance; and
(4) in significant reform and modernization of local recordkeeping of land title information.

(a) The Secretary, in consultation with the Administrator of Veteran's Affairs, the Federal Deposit Insurance Corporation, and the Director of the Office of Thrift Supervision, shall develop and prescribe a standard form for the statement of settlement costs which shall be used (with such variations as may be necessary to reflect differences in legal and administrative requirements or practices in different areas of the country) as the standard real estate settlement form in all transactions in the United States which involve federally related mortgage loans. Such form shall conspicuously and clearly itemize all charges imposed upon the borrower and all charges imposed upon the seller in connection with the settlement and shall indicate whether any title insurance premium included in such charges covers or insures the lender's interest in the property, the borrower's interest, or both. The Secretary may, by regulation, permit the deletion from the form prescribed under this section of items which are not, under local laws or customs, applicable in any locality, except that such regulation shall require that the numerical code prescribed by the Secretary be retained in forms to be used in all localities. Nothing in this section may be construed to require that that part of the standard form which relates to the borrower's transaction be furnished to the seller, or to require that that part of the standard form which relates to the seller be furnished to the borrower.

(b) The form prescribed under this section shall be completed and made available for inspection by the borrower at or before settlement by the person conducting the settlement, except that (1) the Secretary may exempt from the requirements of this section settlements occurring in localities where the final settlement statement is not customarily provided at or before the date of settlement, or settlements where such requirements are impractical and (2) the borrower may, in accordance with regulations of the Secretary, waive his right to have the form made available at such time. Upon the request of the borrower to inspect the form prescribed under this section during the business day immediately preceding the day of settlement, the person who will conduct the settlement shall permit the borrower to inspect those items which are known to such person during such preceding day.

A transferor or transferee servicer shall not be liable under this subsection for any failure to comply with any requirement under this section if, within 60 days after discovering an error (whether pursuant to a final written examination report or the servicer's own procedures) and before the commencement of an action under this subsection and the receipt of written notice of the error from the borrower, the servicer notifies the person concerned of the error and makes whatever adjustments are necessary in the appropriate account to ensure that the person will not be required to pay an amount in excess of any amount that the person otherwise would have paid.

(g) Administration of escrow accounts

If the terms of any federally related mortgage loan require the borrower to make payments to the servicer of the loan for deposit into an escrow account for the purpose of assuring payment of taxes, insurance premiums, and other charges with respect to the property, the servicer shall make payments from the escrow account for such taxes, insurance premiums, and other charges in a timely manner as such payments become due.

(h) Preemption of conflicting State laws

Notwithstanding any provision of any law or regulation of any State, a person who makes a federally related mortgage loan or a servicer shall be considered to have complied with the provisions of any such State law or regulation requiring notice to a borrower at the time of application for a loan or transfer of the servicing of a loan if such person or servicer complies with the requirements under this section regarding timing, content, and procedures for notification of the borrower.

12 usc section 2609 limitation on requirement of advance deposits in escrow accounts

TITLE 12--BANKS AND BANKING

CHAPTER 27--REAL ESTATE SETTLEMENT PROCEDURES

Sec. 2609. Limitation on requirement of advance deposits in escrow accounts

(a) In general

A lender, in connection with a federally related mortgage loan, may not require the borrower or prospective borrower--
(1) to deposit in any escrow account which may be established in connection with such loan for the purpose of assuring payment of taxes, insurance premiums, or other charges with respect to the property, in connection with the settlement, an aggregate sum (for such purpose) in excess of a sum that will be sufficient to pay such taxes, insurance premiums and other charges attributable to the period beginning on the last date on which each such charge would have been paid under the normal lending practice of the lender and local custom, provided that the selection of each such date constitutes prudent lending practice, and ending on the due date of its first full installment payment under the mortgage, plus one-sixth of the estimated total amount of such taxes, insurance premiums and other charges to be paid on dates, as provided above, during the ensuing twelve-month period; or
(2) to deposit in any such escrow account in any month beginning with the first full installment payment under the mortgage a sum (for the purpose of assuring payment of taxes, insurance premiums and other charges with respect to the property) in excess of the sum of (A) one-twelfth of the total amount of the estimated taxes, insurance premiums and other charges which are reasonably anticipated to be paid on dates during the ensuing twelve months which dates are in accordance with the normal lending practice of the lender and local custom, provided that the selection of each such date constitutes prudent lending practice, plus (B) such amount as is necessary to maintain an additional balance in such escrow account not to exceed one-sixth of the estimated total amount of such taxes, insurance premiums and other charges to be paid on dates, as provided above, during the ensuing twelve-month period: Provided, however, That in the event the lender determines there will be or is a deficiency he shall not be prohibited from requiring additional monthly deposits in such escrow account to avoid or eliminate such deficiency.
(b) Notification of shortage in escrow account

If the terms of any federally related mortgage loan require the borrower to make payments to the servicer (as the term is defined in section 2605(i) of this title) of the loan for deposit into an escrow account for the purpose of assuring payment of taxes, insurance premiums, and other charges with respect to the property, the servicer shall notify the borrower not less than annually of any shortage of funds in the escrow account.

(c) Escrow account statements

(1) Initial statement

(A) In general

Any servicer that has established an escrow account in connection with a federally related mortgage loan shall submit to the borrower for which the escrow account has been established a statement clearly itemizing the estimated taxes, insurance premiums, and other charges that are reasonably anticipated to be paid from the escrow account during the first 12 months after the establishment of the account and the anticipated dates of such payments.

(B) Time of submission

The statement required under subparagraph (A) shall be submitted to the borrower at closing with respect to the property for which the mortgage loan is made or not later than the expiration of the 45-day period beginning on the date of the establishment of the escrow account.

(C) Initial statement at closing

Any servicer may submit the statement required under subparagraph (A) to the borrower at closing and may incorporate such statement in the uniform settlement statement required under section 2603 of this title. The Secretary shall issue regulations prescribing any changes necessary to the uniform settlement statement under section 2603 of this title that specify how the statement required under subparagraph (A) of this section shall be incorporated in the uniform settlement statement.

(2) Annual statement

(A) In general

Any servicer that has established or continued an escrow account in connection with a federally related mortgage loan
shall submit to the borrower for which the escrow account has been established or continued a statement clearly itemizing, for each period described in subparagraph (B) (during which the servicer services the escrow account), the amount of the borrower's current monthly payment, the portion of the monthly payment being placed in the escrow account, the total amount paid into the escrow account during the period, the total amount paid out of the escrow account during the period for taxes, insurance premiums, and other charges (as separately identified), and the balance in the escrow account at the conclusion of the period.

(B) Time of submission

The statement required under subparagraph (A) shall be submitted to the borrower not less than once for each 12-month period, the first such period beginning on the first January 1st that occurs after November 28, 1990, and shall be submitted not more than 30 days after the conclusion of each such 1-year period.

(d) Penalties

(1) In general

In the case of each failure to submit a statement to a borrower as required under subsection (c) of this section, the Secretary shall assess to the lender or escrow servicer failing to submit the statement a civil penalty of $50 for each such failure, but the total amount imposed on such lender or escrow servicer for all such failures during any 12-month period referred to in subsection (b) \1\ of this section may not exceed $100,000.

\1\ So in original. Probably should be subsection "(c)".

(2) Intentional violations

If any failure to which paragraph (1) applies is due to intentional disregard of the requirement to submit the statement, then, with respect to such failure--
(A) the penalty imposed under paragraph (1) shall be $100; and
(B) in the case of any penalty determined under subparagraph (A), the $100,000 limitation under paragraph (1) shall not apply.

Amendments

1996--Subsec. (c)(1)(C). Pub. L. 104-208 substituted "The Secretary" for "Not later than the expiration of the 90-day period beginning on November 28, 1990, the Secretary" in second sentence.

1990--Pub. L. 101-625 designated existing provisions as subsec. (a), inserted heading, and added subsecs. (b) to (d).

1976--Pub. L. 94-205 provided that in addition to amounts required for the payment of taxes, insurance premiums, and other charges due at settlement, the buyer could not be required at settlement to place into an escrow account more than one-sixth of the estimated total amount of such taxes, insurance premiums, and other charges payable within a twelve month period beginning on the date of settlement, but the buyer could be required to make monthly payments into an escrow account sufficient to maintain a surplus of one-sixth of the estimated total amount payable in the coming twelve month period.
